Librarian's Report

This month we excitedly welcomed two new staff members to the library! Ellie and Laurel are our new Library Assistants, and are doing a wonderful job learning the ins and outs of working at the library. We are also saying goodbye to our longtime maintenance man, David. David has worked here many years and we will be sad to see him go. We have started the hiring process of getting a new maintenance person.

I have registered for the ALA Annual Conference taking place this summer, Ellie will be joining me on this trip. I have also registered for the annual Colorado Library Director's Retreat happening at the end of April. This will be my second time at this retreat and look forward to learning from my peers. I will also be taking an online course in May titled "Learn to Write Effective Policies and Procedures" through Pryor Learning.

I met with Employer's Council to learn about their services. They can run a Compensation Analysis Project for the District's current three positions: Director, Library Assistant, and Maintenance. They also provide on-demand HR services with an annual subscription. I am currently finalizing the membership and Compensation Analysis, the annual cost will be \$1800 and the Compensation Analysis will be \$3375.

Library Director,
Kristina Selby
