September 23, 2025 Board Workshop

The Meeker Regional Library District exists solely to enhance the quality of each individual library user by upholding to the Library Bill of Rights, the Freedom to Read, Patron Privacy, Art in the Library and other statements included in this document.

The Library recognizes and appreciates its status as the only free and inclusive cultural and educational institution with the community and endeavor to continually expand the opportunities we make available to our patrons. We will strive to mitigate, if not overcome, the limitations our community's geographic situation places on our informational, educational and recreational choices by exploring advances in telecommunication technology as well as by more traditional means of library service.
